Citizen's input- Norb Jarzinski complimented the work that the county is doing on the roads. Concerns were expressed about solar farms coming into the towns and taking farm land. Town of Darien may have 2500 A proposed for one of these. The town really has no say in this but we should look into anything that will help the loss of farmland. The clerk will contact the town attorney to see if we can do anything.

The compliance plan for the state recycling program was presented and approved on a Scharine/Hillmann motion.

An O'Leary/Mair motion to set the community center as the polling place and to have 3 poll workers carried.

Copperhead properties- letter to go out 3-18-19 telling them to contact the attorney and to get building permits. It was noted that a window and door truck was in the yard today.

A Mawhinney/Scharine to put the request from Jeff Shadel back on the table, carried. The request is that the town no longer take the right of way on any future divisions on town roads. This will be a topic for discussion at the annual town meeting in April. An O'Leary/Hillmann motion to write a letter to the highway committee and to the Rock Co Board asking that the county discontinue taking ROW on county roads as well carried.

Items to be discussed at the annual town meeting: retaining row of town roads; village powers; discussion of past successes; community center updates; road work; and such other matters that may legally come before the meeting.

Zoning officer report- nothing to report.
